Turbulence and upheaval seem to be the theme of our day. Governments are being overthrown with rioting and violence. Earthquakes, tsunamis, tornadoes and other disasters of nature are widespread and devastating. Weather patterns are causing floods, droughts, and famine. All of this is causing people to wonder, “What in the world is going on?”

Thankfully, God’s Word does NOT leave us clueless as to why these things are happening. In fact, much of it is the fulfillment of specific endtime signs pointing to the imminent return of our Lord Jesus. The Scriptures also remind us that He “hath not given us [Christians] the spirit of fear; but of power, and of love, and of a sound mind” (2 Tim. 1:7). We can be assured that He has not left us nor forsaken us (Heb. 13:5). And ultimately, we will have victory as we put our faith and trust in Him.

Don’t miss the amazing teachings and encouragement of this endtimes conference through the messages that will be delivered by some of our nation’s most dynamic and knowledgeable Bible Prophecy scholars. Make plans now to join us at First Baptist Church in Broussard on August 12 and 13.

No pre-registrations. All registrations will be “at the door”.

**No conference fee!** However, a love offering will be collected to help with expenses.
